

# 20 YEARS

Serving Chicagoland for nearly 20 years, Lakeshore Recycling Systems (LRS) provides recycling and waste diversion programs, portable restrooms, affordable roll-off container service, comprehensive waste removal and more.

No matter the size, if you're looking for a conventional dumpster, our team will deliver outstanding service and renowned reliability.

# 32% FOOTPRINT

LRS is Chicagoland's preferred service provider. LRS controls over 32% of the Chicagoland footprint, which is over 2.5 million tons of Chicagoland's outbound commercial and residential waste.

LRS takes pride in not owning any landfills, so our diversion process is essential in creating the most efficient business model to ensure sustainability.

# 800K TONS

LRS successfully keeps over 800,000 tons of solid waste out of landfills by recycling or diverting materials.

Sorting sustainable materials from waste is part of our pledge to set high standards when it comes to responsible stewardship to the environment, as well as pass the savings of lower disposal costs onto our valuable customers.

# 850 EMPLOYEES

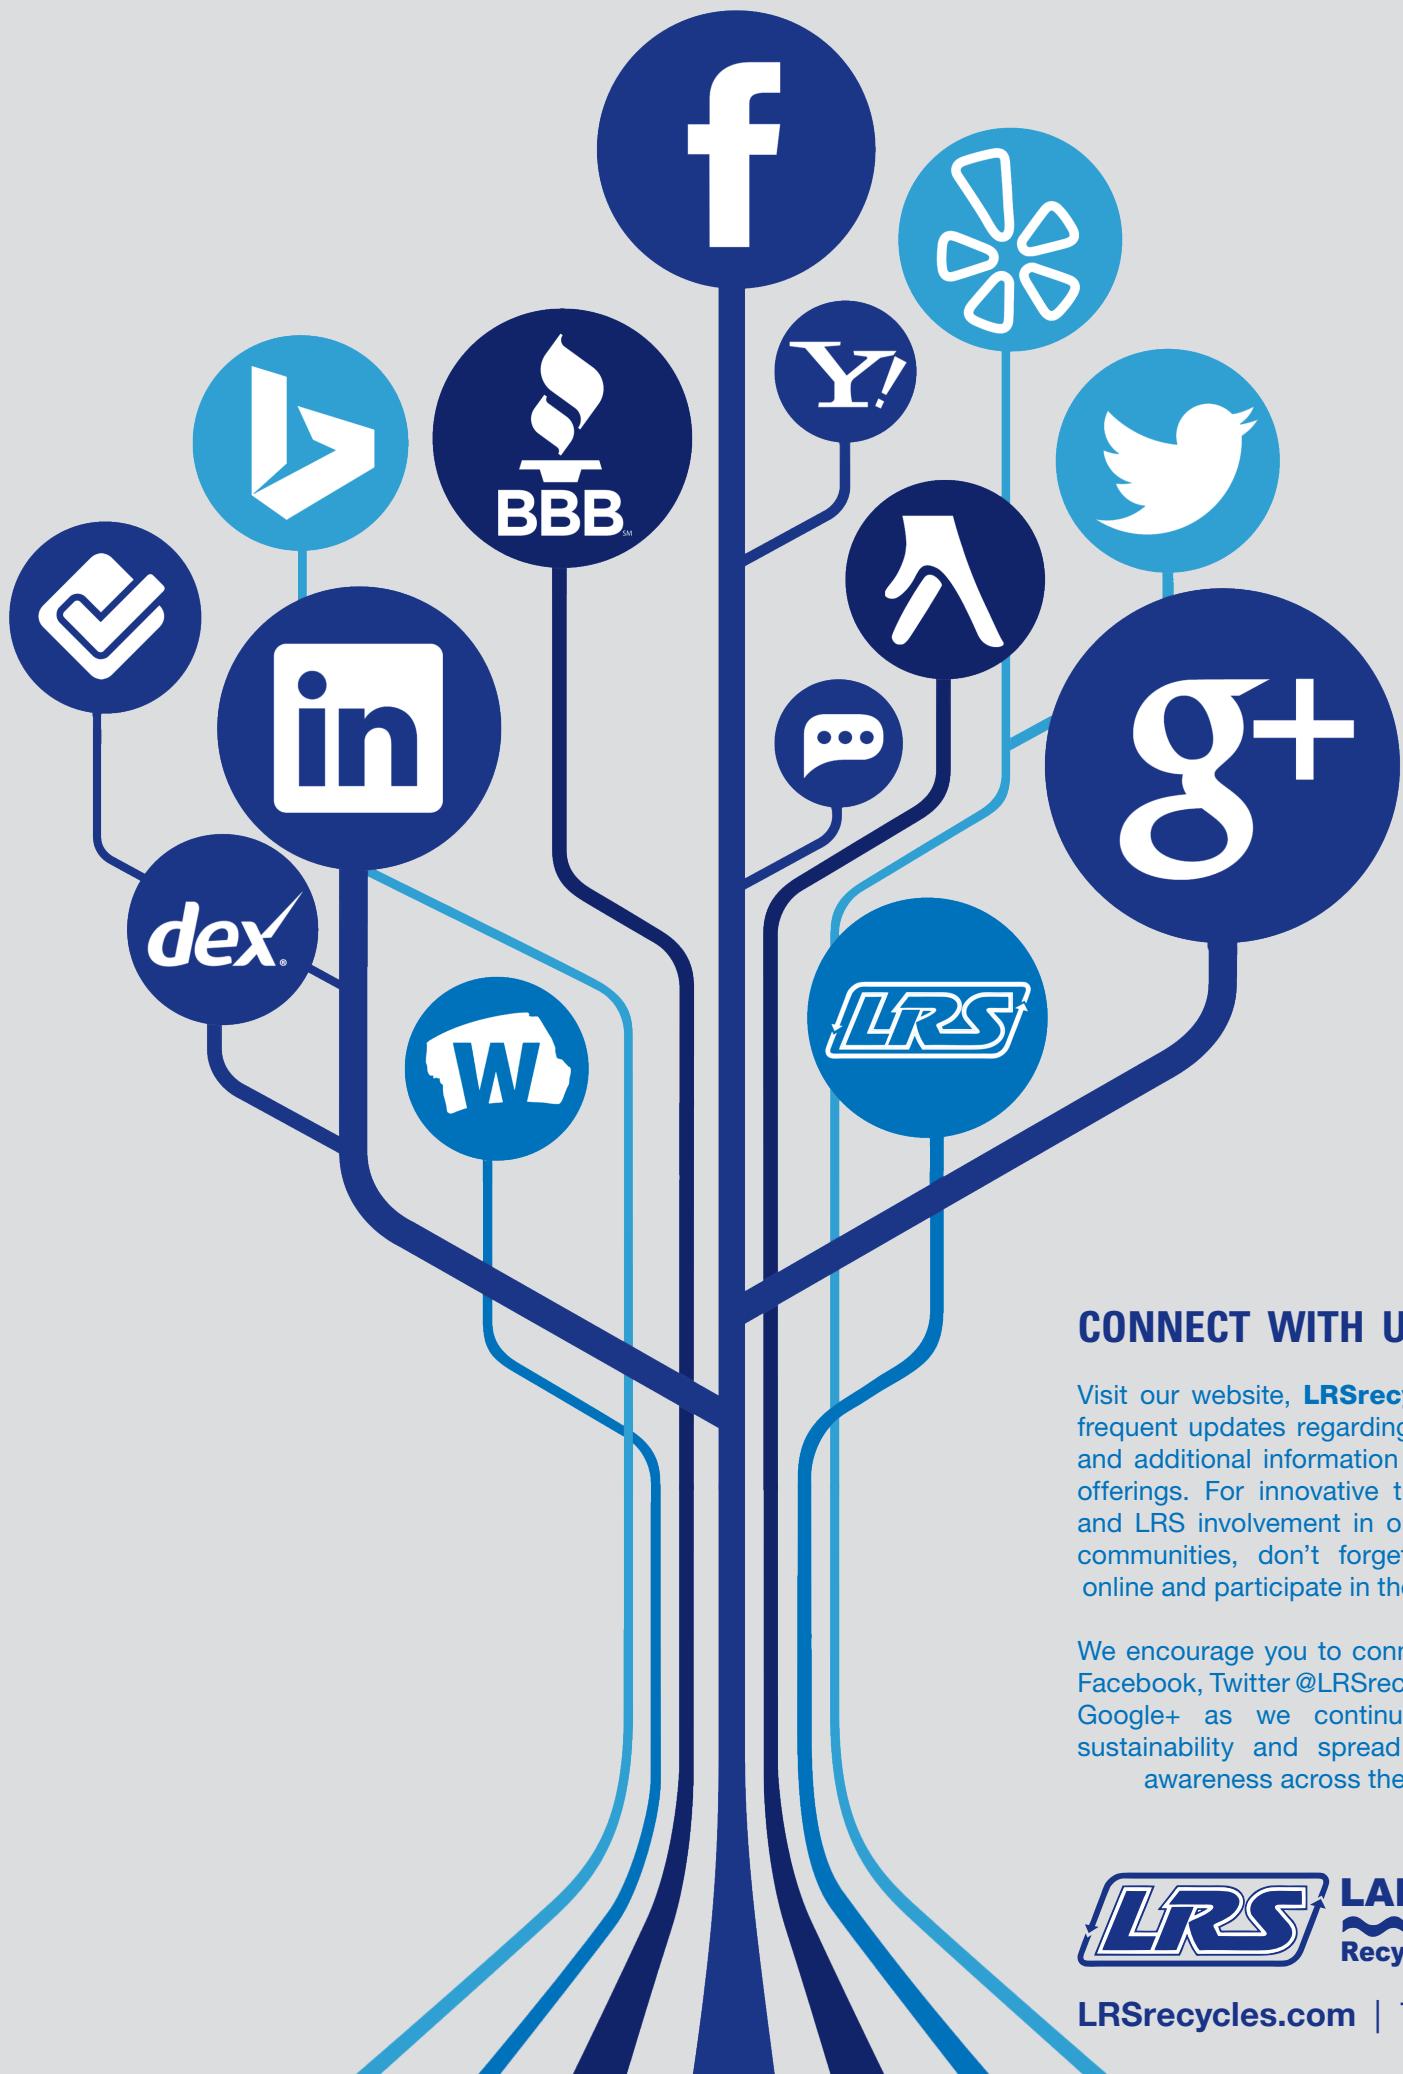

With over 850 employees to date, the LRS team is proud to offer the best customer experience possible.

Our dedicated 24-hour-a-day service provides you with an around-the-clock option. We will ensure whatever your needs, your delivery will be prompt, your rates will be competitive and your expectations will be exceeded.
