## TECH WITH A HUMAN TOUCH

We believe technology is a powerful tool that should not replace human interaction, but enhance it. Our extensive suite of technologies is developed to improve communication, boost efficiency, and bolster client service.

# GROWING WITH A PURPOSE

Alliant is among the fastest-growing insurance brokerages in the industry. Although our organization is in the midst of significant growth, we remain true to our guiding philosophy, seeking out likeminded companies and professionals who strive to excel and live to serve. Our recent acquisitions include:

## John F. Throne & Co.

Offers a broad range of insurance and risk management solutions to commercial aviation companies throughout the United States.

## Andre-Romberg Insurance Agency

Provides a full spectrum of commercial risk management and personal insurance solutions from its Pacific Northwest location.

## Mesirow Insurance Services

A full-service insurance brokerage and consultant specializing in property and casualty insurance, employee benefits, life and disability, private client insurance, and structured settlements.

# BEYOND THE NUMBERS

While our numbers speak volumes, they are merely echoes of the passion and dedication of our diverse team of experts. Alliant's compelling story of success is written each day by enterprising men and women who are guided by:

## ENTREPRENEURIALISM

We think like our clients and deliver accordingly.

## SERVICE

We are an extension of our clients' business.

## RELATIONSHIPS

We build and cultivate long-term relationships based on trust, integrity, and results.

## PEOPLE

We invest in our team, share our resources, and inspire excellence.

# BROAD REACH. TARGETED FOCUS.

Alliant's promise of service and stability spans myriad industries and disciplines. Despite our broad reach, we maintain a targeted focus on our clients' business, with our professionals executing a depth of expertise in the industries they serve.
